GENERAL INSTRUCTIONS AND GUIDELINES FOR ACCESSING AND PARTICIPATING IN THE 49TH AGM

- Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standards on General Meetings (SS-2) issued by 'The Institute of Company Secretaries of India' (ICSI) and Regulation 44 of Listing Regulations, the Company is providing Remote e-Voting facility to its Members in respect of the business to be transacted at the 49th AGM and facility for those Members participating in the 49th AGM to cast vote through ballot paper / poll paper during the 49th AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL), as the authorized e-voting agency for facilitating voting through electronic means. The facility of casting votes by a member using remote e-voting as well as voting through ballot papers / poll paper on the date of the AGM will be provided.
- A person who has acquired the shares and has become a member of the Company and whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories after the dispatch of the Notice of the AGM and prior to the Cut-off date i.e., Friday, September 22, 2023 shall be entitled to avail the facility of remote e-voting before AGM as well as voting through ballot papers / poll papers on the date of the AGM at the venue of the meeting. Any recipient of the Notice who has no voting rights as on the Cut-off date shall treat this Notice for informative purpose only.
- The remote e-voting period begins on **Tuesday**, **September 26**, **2023 at 9:00 A.M.** and ends on **Thursday**, **September 28**, **2023 at 5:00 P.M.** The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e., **Friday**, **September 22**, **2023** may cast their vote electronically.
- The voting rights of the members shall be in proportion to their share in the paid-up equity share capital of the Company as on the Cut-off date i.e., Friday, September 22, 2023.
- The members can opt for only one mode of voting i.e., remote e-voting or physical voting through poll paper at the meeting. In case of voting by both the modes, vote cast through remote e-voting, will be considered final and voting through physical voting at the meeting will not be considered.
- The facility for voting through Poll would be made available at the AGM and the members attending the meeting who have not cast their votes by remote e-voting shall be able to exercise their right at the meeting through Poll Paper. The members who have already cast their vote by remote e-voting prior to the meeting may also attend the Meeting but shall not be entitled to cast their vote again.

- Once the vote on a resolution is cast by the member, he/she shall not be allowed to change it subsequently or cast the vote again.
- The Board of Directors of the Company has appointed CS Yashwant Gupta, Practicing Company Secretary (Membership No. A-15154 & Certificate of Practice No. 15119), Proprietor of M/s. Yashwant Gupta & Associates, Company Secretaries, New Delhi, as Scrutinizer to scrutinize the remote e-Voting process and voting through ballot / poll papers during the meeting in a fair and transparent manner.
- The Scrutinizer shall after the conclusion of voting at the 49th AGM, unblock the votes cast through remote e-Voting and shall make a consolidated scrutinizer's report of the total votes casted in favor or against, invalid votes, if any, and whether the resolution has been carried or not and such report shall then be sent to the Chairman of the meeting or a person authorized by him within the time prescribed under the Listing Regulations and / or the Act, who shall then countersign and declare the result of the voting forthwith.
- The Chairman shall at the end of discussion on the resolutions placed at the AGM on which voting is to be held allow voting with the assistance of the Scrutinizer by use of Polling Paper for all those members / proxies who are present at the AGM but have not cast their votes by availing the remote e-Voting facility.
- The results declared along with the report of the Scrutinizer shall be placed on the website of the Company www.advance.co.in and at the website of NSDL at www.evoting.nsdl.com immediately after the declaration of results by the Chairman of the meeting or a person authorized by him. The results shall also be immediately forwarded to the Calcutta Stock Exchange. The results shall be displayed at the Registered Office at 45/3, Industrial Area, Site IV, Sahibabad, Ghaziabad, Uttar Pradesh 201020, India and at the corporate office at 81, Functional Industrial Estate, Patparganj, Delhi 110092.

Your Directors are pleased to present the Management Discussion & Analysis Report for the financial year ended March 31, 2023 as stipulated under Regulation 34 (2) (e) read with Schedule V(B) of SEBI (Listing Obligations & Disclosure Requirement), Regulations, 2015 (Listing Regulations).

The objective of this report is to convey the Management's perspective on the external environment and steel industry, as well as strategy, operating and financial performance, material developments in human resources and industrial relations, risks and opportunities and internal control systems and their adequacy in the Company during FY 2022-23.

This should be read in conjunction with the Company's financial statements, the schedules and notes thereto and other information included elsewhere in this Report and Annual Accounts for the FY 2022-23. The Company's financial statements have been prepared in accordance with Indian Accounting Standards ('Ind AS') complying with the requirements of the Act, as amended and regulations issued by the SEBI from time to time.

Global Economy

Global GDP growth is estimated to fall from 3.4% in 2022 to 2.8% in 2023. The continuing Russia-Ukraine war along with central banks hiking rates to tame inflation continues to weigh on economic activity. Growth in 2022 was dampened due to rapid spread of COVID-19 variants in China and the ongoing war in Ukraine. The concerted sanctions on Russia, which supplies around 10% of the world's energy, lead to dampening growth and further straining of supply chain. The war worsens the persistent inflation across developed economies. However, the recent re-opening may lead to faster than expected recovery in 2023.

Growth rate in 2023 in USA is expected to be 1.6%, while the eurozone is expected to remain strained at 0.8%. The energy shock, a result of the war in Ukraine, continues to impact the economic activity in Europe. China's economy is set to rebound to 5.2% as mobility and industrial activity pick up after lifting of pandemic restrictions. The contraction in real estate remains a major headwind. Long-term headwinds to growth include a shrinking population and slowing productivity growth.

Economic Outlook

The factors that drove inflation in 2022 are already reversing. These include increase in commodity prices, expansive fiscal and monetary policy, and supply chain disruptions. Global inflation is expected to fall from 8.7% in 2022 to 7% in 2023 on the back of lower commodity prices. Inflation has already

peaked in the US and Europe in early 2023. It is also declining in other major economies including Japan, China and India.

In the US, economic growth is expected to be slower in 2023 given the tightening monetary and fiscal policy. Contrary to late 2022 estimates, US will avoid a recession due to declining energy prices, strong employment growth, and easing of supply chain stress.

Threat of recession continuous to loom over Europe as wages and consumer spending has fallen significantly. Elevated natural gas prices are fuelling inflation and driving down purchasing power. The tightening of monetary policy by ECB and Bank of England along with energy shock resulting from the Russia-Ukraine war will play a key impact on the growth potential.

Indian Economy

GDP growth rate in 2023 is expected to be 5.9%, lower than the 2022 growth of 6.8% due to subdued external demand and tightening monetary policy. However, India will remain the fastest growing major economy.

Brent oil prices are expected to remain range bound in 2023, given the continuing war in Ukraine and sanctions imposed in response by the USA and European Union. India meets nearly 80% of its oil needs through imports. High oil prices will also have a trickledown effect on the prices paid by consumers for goods and services. Persistent inflation resulted in RBI to increase the repo rate by 250 basis points throughout FY2022-23. Further rate hikes are expected in the coming year, despite no rate hike in the April Monetary Policy Committee meeting.

Capital investment of close to 3.3% of GDP is expected to crowd-in private investment, strengthen job creation and demand, and raise India's overall growth potential. Focus is expected in the energy sector, with significant capital investments towards energy transition and green hydrogen mission.

Overall, the key steel consuming sectors are expected to perform well in FY2023-24 supported by a rise in infrastructure spend by the Government and gradually improving semiconductor supply. High CAPEX allocation in key steel consuming sectors such as railways, national highways and housing is expected to drive steel consumption.

Industry and Developments

Global Industry

The recovery momentum of global economy after the pandemic has been affected by persisting inflation, US monetary tightening, China's economic deceleration and continued supply disruptions

due to Russia-Ukraine war. High energy prices, rising interest rates, and falling confidence have limited recovery of the steel demand after a dip in 2022. However, positive factors like China's re-opening, Europe's resilience during the energy crisis and preliminary easing in supply chain bottleneck will lead to a Y-o-Y rise in global steel demand by ~2.3% (~1,822 MnT) in 2023.

The year witnessed very high volatility in raw material, especially coking coal on account of the ongoing geopolitical concerns and supply chain bottlenecks impacting steel price across geographies.

Demand Outlook

Global steel demand is expected to grow by 1.7% reaching 1,854 MnT driven by growth in Asia, China's re-opening, diversifying supply chains and Europe's resilience. Demand in Europe is expected to see a 5.6% rebound in 2024 after 4 consecutive years of Y-o-Y contraction in the steel demand. Recovery in Japan and South Korea may gain pace with strengthening construction segment and easing supply chain and exports.

Indian Industry

India remains the 'bright spot' for global steel demand. After growth of 8.2% in 2022, demand is expected to show healthy growth of 7.3% in 2023 backed by consumption led demand. Having managed inflation well, the Indian economy is on a healthy growth track, with a rising share of investment in GDP, appropriate budget allocations and expenditure by the Government in the infrastructure segment. India also faced supply disruptions due to raw material constraints and volatility of prices.

Advance Overview, Structure and Development

Advance Steel Tubes Limited (Structure Division) was incorporated in the year 1992. In its eighth year of service, the "Structure Division" has emerged as a leading manufacturer and exporter of lighting pole, traffic light poles, street light poles, galvanised steel structures for use in telecommunications and power transmissions. ASTL is involved in fabricating custom built Galvanized Structures for power and telecom sectors.

ASTL's persistent pursuit for quality has earned it a reputation for impeccable quality and total reliability. This has been possible due to the earnest support of ASTL's over four hundred skilled and experienced professionals. State-of-the-art technology combined with austere professionalism has been the formulae for achieving a high rated production capacity of 25,000 meter steel structure per annum.

ASTL is an industrial house, older, more than four decades, engaged in various products such as Steel Tubes, Steel Pipes, Highway Safety Equipment, PVC Pipes, Oversees Projects, Scaffolding Tubes, Highway Guardrails, Steel Tubular Poles and Steel Structure.

Therefore, the Company is looking to explore more possibilities of imports/exports for trade in domestic market and together with other domestic trading. The export market is very sluggish and uncompetitive. Hence, the future development in the export market has been deferred. The industry remains cognizant of the evolving market conditions with developers exhibiting adaptability along with agility to respond to the current situation.

The COVID-19 pandemic has posed significant unforeseen challenges for all businesses, including ASTL. However, we driven by the dedication of our employees and the trust of our customers, we have grown and growing ahead at the fastest pace ever in a decade, constantly.

Opportunities and Threats

The management of the Company is presenting herein the opportunities and threats, initiatives by the Company and overall strategy of the Company and its outlook for the future. This outlook is based on management's own assessment and it may vary due to future economic and other future developments in the country.

The opportunities are as follows:

- Market Potential-There is lot of scope for improvement, alteration or changing or creating new investments.
- Exposure to export and domestic markets.
- Exporter-friendly government policies.
- Growing international and domestic markets.
- Growing Demand.

The threats are as follows:

- Covid & other pandemics, shortage of migrant labour, capital crunch in market.
- High inflation rate may increase the cost and company's profit margins may suffer.
- High interest rate may also prove to be adverse.
- Tough competition from the other existing players in the industry also poses a threat.

Being a domestic company, having presence in India with the advantage of the open world economic scenario, the company foresee good prospects in the import trading together with other domestic trade and the related threats can easily be mitigated.

Outlook

Indian steel demand is expected to be robust and growing by 6.2% in FY2023-24 supported by strong GDP growth forecast, private consumption and Government expenditure. India's capital goods sector is also expected to benefit from the momentum in infrastructure and investment in renewable energy.

Automotive and consumer durables are expected to maintain healthy growth driven by sustained growth in private consumption. Integrated Steel Players will continue to add capacity in FY2023-24, and utilisation levels are expected to remain healthy at $\sim\!80\%$. Net export position is expected to strengthen with removal of export duty.

India has emerged as one of the largest producers of steel pipes after Europe and China in the pipe & tube industry. The country has a well-developed steel manufacturing industry capable of producing everything from raw steel to steel products with added value, including tubes and pipes. The success of India's steel pipe and tube sector has been encouraged by the availability of raw materials, cheap labour, and the capacity to make steel at low cost. The development of a large infrastructure for producing primary steel has also aided the growth of secondary and completed steel products. The Steel production in India is anticipated to advance due to significant growth drivers including the following:

- Rising demand for consumer durables and capital goods.
- Rapidly progressing automotive sector drive.
- Increasingly large numbers of MoUs been signed by several of the key players.
- Infrastructure Development

Advance remains confident of the long term growth prospects & opportunities ahead of it in its business and chosen customer segments. The company expects good domestic market for imported goods and other domestic trading goods. The Company has been increasing marketing investments, providing value-added products, exploring new geographies to keep up the pace of strong growth. Demand for steel is anticipated to increase, particularly as a result of the significant investments that the Indian government plans to make in the construction of infrastructure.

Company has reported strong growth in revenues, operating profits and net profits during FY 2022-2023. The Company has been operating with a different mindset, attitude and perspective. In addition to performing well, making sound decisions, and taking advantage of opportunities as they arise, ASTL also creating opportunities for themselves by enhancing and expanding their infrastructure, investing in marketing, growing their Company and their market, as well as deploying responsible financial management.

Your Company is well positioned with its strong management team, technology interventions and robust processes to address any changes that may emerge due to COVID-19 and during this global tensions and fast inflation. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Emphasis of Matters

We draw attention to the following matters in the Notes to the financial statements:

- a) Note 32(1)(B) to the financial statements which, describes the uncertainty related to the outcome of demands raised against the Company by the VAT / Sales Tax / Excise Duty / Service Tax / Income Tax Department which stands provided for.
- b) There is an uncertainty related to the UPPTCL against EPC Project through PNC Infratech Limited & A2Z Maintenance & Engineering Services Ltd. has retained Rs.6,72,10,242/from Ptime-to-time payments against any forcible penalties for which extension of time has applied. The Company is expecting extension of time and no penalties are likely to be levied hence no provision has been made for the same.
- c) Haridwar Unit is also sold out as on 26 November 2021 However Few Assets were moved to Sahibabad Unit, standing in books of account, however debtors are still outstanding
- d) Account Confirmation in respect of certain accounts of Debtors have not been received and they are subject to confirmations. The management is of the opinion that adjustment, if any arising out of such reconciliation would not have material effect on the financial statement of the current year. Further the financial statement which describes Advance include claims receivables of Rs.20,871,657/- as on balance Sheet date for which there is no confirmation available.
- e) Note No. 32(13) to the financial statement which describes Advance include Rs.30,00,000/to M/s Yamuna Industries to purchase RCC Cement Poles & Slab factory in Yamuna Nagar hence the business could not be operationalized thus stands closed. The amount is recoverable only on disposal of Assets.
- f) GST credit of Rs.2,16,000 regarding Rent paid for Corporate office at 81, Patpargunj Industrial Area, New Delhi 110092, Delhi was taken and utilized.

Our opinion is not modified in respect of these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as a policy of matters related to

going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the statement of Profit and Loss (including other comprehensive income), and the cash flow statement and the statement of Changes in Equity dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls falls to our separate report in "Annexure A".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 32(1)(B) to the financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses.
 - iii. There were no amounts which required to be transferred, to the Investors Education and Protection Funds by the Company, However in compliance to the companies act 2013, the company is required to open a separate account called " Unpaid Dividend Account" in the bank and to transfer unpaid dividend to "Unpaid Dividend Account" An amount of unclaimed dividend of Rs 41,000 is standing in the books of account as on 31st March 2023.
- 2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Advance Steel Tubes Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of subsection 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of ADVANCE STEEL TUBES LIMITED (the "Company") as of March 31, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls evidence of financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects except Budgetary control, Fixed Assets & Inventory Control, Further Building Jay Peen Green Noida is being exclusively occupied by Managing Director having WDV 8,67,31,955, scholarship fee of Rs.7,88,000 to Relative has been provided, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT of even date on the Financial Statements of Advance Steel Tubes Limited FOR THE YEAR ENDED 31 March 2023

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Advance Steel Tubes Limited of even date)

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub section (11) of section 143 of the Companies Act, 2013. We give the statements on the matters specified in paragraphs 3 and 4 of the order, to the extent applicable as under.

- (a) A. The company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
 - B. The Company has no intangible assets.

i.

The Management during the year has a programme for physical verification of Property, Plant and Equipment but the same was not followed during the year. Accordingly, we are unable to comment on whether there are any material discrepancies and if they have been properly dealt with in the books of account.

(b) According to the information and explanations given to us, the title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), are held in the name of the Company, Except below.

SIGNIFICANT ACCOUNTING POLICIES & NOTES TO ACCOUNTS

(Annexed to forming part of the accounts for the year ended 31st March 2023

NOTE NO. 1 - NATURE OF OPERATION

1.1 Company Overview

Advance Steel Tubes Limited ("the Company") is a listed entity incorporated in India and is incorporated under the provisions of the Companies Act applicable in India. Having its registered office at 45/3 sight -4 industrial area Sahibabad, Ghaziabad India, having CIN: L24231UP1978PLC004583

The company has been engaged primarily in the business of manufacture and sale of Steel Products. The Company has its manufacturing facilities in India and sells products in India & Abroad. We declare with conviction that the company as its foreseeable life in.

1.2 Basis of preparation

a) Statement of Compliance

These financial statements are prepared in accordance with Indian Accounting Standards (IND AS) notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, and presentation requirements of Schedule III to the Act under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair value.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b) Basis of measurement

The Financial Statements are prepared under the historical cost convention on accrual basis of accounting in accordance with generally accepted accounting principles, unless otherwise stated and comply with the accounting standard referred to in section 133 of the Companies Act 2013 read with rule 7 of company (Accounts) Rules 2014 to the extent applicable.

The amendment to IND AS 102 provides specific guidance to measurement of cash-settled awards, modification of cash-settled awards and awards that include a net settlement feature in respect of withholding taxes.

It clarifies that the fair value of cash-settled awards is determined on a basis consistent with that used for equity settled awards. Market-based performance conditions and non-vesting conditions are reflected in the 'fair values', but non-market performance conditions and service vesting conditions are reflected in the estimate of the number of awards expected to vest. Also, the amendment clarifies that if the terms and conditions of a cash-settled share based payment transaction are modified with the result that it becomes an equity-settled share-based payment transaction, the transaction is accounted for as such from the date of the modification. Further, the amendment requires the award that includes a net settlement feature in respect of withholding taxes to be treated as equity-settled in its entirety. The cash payment to the tax authority is treated as if it was part of an equity settlement.

The requirements of the amendment have no impact on the financial statements as the standard is not applicable to the Company.

c) Use of Estimates

In the preparation of the financial statements, the management of the company makes estimates and assumptions in conformity with the applicable accounting principles in India that affect the reported balance of assets & liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee's retirement benefit plans, income taxes, the useful lives of fixed assets and intangible assets and estimates for recognizing impairment losses.

These estimates could change from period to period and also the actual results could vary from the estimates. Appropriate changes are made to the estimates as the management becomes aware of changes in circumstances surrounding these estimates. The changes in estimates are reflected in the financial statements in the period in which changes are made and, if material their effects are disclosed in the notes to the financial statements.

d) Critical accounting judgments' and key sources of estimation uncertainty

The preparation of the financial statements in conformity with the IND AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Critical Judgments In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements:

Discount rate used to determine the carrying amount of the Company's defined benefit obligation and Lease Hold Lands: In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the postemployment benefit obligation.

Contingences and commitments: In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, company treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, company do not expect them to have a materially adverse impact on the financial position or profitability.

CIN: L24231UP1978PLC004583

Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

Income taxes: The Company's tax jurisdiction is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.

Useful lives of property, plant and equipment: As described in Note 3.8, the Company reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.

Allowances for doubtful debts: The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgment and estimates.

e) Operating Cycle and Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification in accordance with Part-I of Division- II of Schedule III of the Companies Act, 2013.

An asset is treated as current when it (a) Expected to be realized or intended to be sold or consumed in normal operating cycle; (b) Held primarily for the purpose of trading; or (c) Expected to be realized within twelve months after the reporting period, or (d) The asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is current when (a) It is expected to be settled in normal operating cycle; or (b) It is held primarily for the purpose of trading; or (c) It is due to be settled within twelve months after the reporting period, or (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, results in its settlement by the issue of equity instruments do not affect its classification. The Company classifies all other liabilities as noncurrent.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its normal operating cycle.

NOTE NO. 2 – SIGNIFICANT ACCOUNTING POLICIES

2.1 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment inclusive of excise duty and net of returns, trade allowances, rebates excluding GST as collected on behalf of third party & Government.

Sale of Goods Revenue from the sale of goods is recognized when the goods are delivered and titles have passed, at which time all the following conditions are satisfied?

CIN: L24231UP1978PLC004583

ABVANCE

The Company has transferred to the buyer the significant risks and rewards of ownership of the goods;

The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;

The amount of revenue can be measured reliably;

It is probable that the economic benefits associated with the transaction will flow to the Company; and the Costs incurred or to be incurred in respect of the transaction can be measured reliably.

Interest income Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Dividends Dividend income from investments is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

2.2 Segment Reporting

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. Thus, the Company's business falls under one operational segments i.e. Steel Products,

2.3 Foreign Currencies

Functional currency: The functional currency of the Company is the Indian rupee.

Transactions and translations: Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign-currency-denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the Balance Sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled. Revenue, expense and cash flow items denominated in foreign currencies are translated into the relevant functional currencies using the exchange rate in effect on the date of the transaction.

2.4 Property, plant and equipment

Property, plant and equipment (PPE) are initially recognized at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than leased land, which are stated as per IND-AS 116) and impairment losses, if any.

There are prescribed fair value method and cost method. The valuation of PPE (other than leasehold land)

of cost method is being carried on for the

Leasehold Land

There are prescribed two types of lease, Financial and operating. AS newly inserted in IND-AS-116. The operating lease from the point of view of lessee and lesser, the discounting of lease rental need to done, however if the lease period is not more than one year, discounting is not required.

Further the carrying value the leasehold land shall be taken as Right to Use for the purpose of IND-AS 116 thereby all leasehold assets whether operating or financial shall we treated in equal manner.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is de-recognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is recognized so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the straight-line method ("SLM") in the manner prescribed in Schedule II of the Act. Management believes based on a technical evaluation (which is based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.) that the useful lives of the assets as considered by the company reflect the periods over which these assets are expected to be used.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognized in profit or loss. Fully depreciated assets still in use are retained in financial statements.

2.5 Financial Assets, Financial Liabilities & Equity INS-AS 32, 107 and 109

The advance to employee are capped not to exceed not three months' salary and no interest is charged. The advance are recoverable within one year

2.6 Capital work-in-progress and intangible assets under development

Capital work-in-progress/intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

2.7 Income tax

Income tax expense comprises current tax expense and the met change in the deferred tax asset or liability during the year. Current and deferred taxes are recognized in Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

ADVANCE

Current tax: Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax: Deferred income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognized only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of a deferred tax asset is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realized or the deferred tax liability is settled. Deferred tax assets and liabilities are offset when there is a legally enforceable right to set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

2.8 Impairment of assets

Financial assets: The Company assesses on a forward looking basis the expected credit losses associated with its financial assets. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by IND AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

PPE and intangibles assets: Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-inuse) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash-generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the Statement of Profit and Loss.

2.9 Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.10 Provisions and Contingent Liabilities:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

2.11 Inventories

Inventories are valued at lower of cost on FIFO basis and net realizable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

2.12 Borrowing costs

General and specific borrowing costs (including exchange differences arising from foreign currency borrowing to the extent that they are regarded as an adjustment to interest cost) that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. Other borrowing costs are expensed in the period in which they are incurred.

2.13 Employee Benefits

Employee benefits consist of contribution to Employees State Insurance, Provident Fund, Gratuity Fund and Compensated Absences.

Post-employment benefit plans

Defined Contribution plans

Contributions to defined contribution schemes such as employees state insurance, labour welfare fund, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. Company's provident fund contribution is made to a government administered fund and charged as an expense to the Statement of Profit and Loss. The above

CIN: L24231UP1978PLC004583

ADVANCE

benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

Defined benefit plans

The Company operates defined benefit plan in the form of gratuity and compensated absence. The liability or asset recognized in the balance sheet in respect of its defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the said obligation is determined by discounting the estimated future cash out flows, using market yields of government bonds that have tenure approximating the tenures of the related liability.

The interest expenses are calculated by applying the discount rate to the net defined benefit liability or asset. The net interest expense on the net defined benefit liability or asset is recognised in the Statement of Profit and loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognized immediately in profit or loss as past service cost.

The classification of the company's net obligation into current and non-current is as per the actuarial valuation report.

2.14 Earnings per share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

2.15 Depreciation

Depreciation is charged on straight-line method (SLM) at the rates prescribed under Schedule-II of the Companies Act, 2013. Where, during any financial year, any addition has been made to any asset, or where any asset has been sold, discarded, demolished or destroyed, the depreciation on such assets is calculated on a pro-rate basis from the date of such addition or, as the case may be the date on which such asset has been sold discarded, demolished or destroyed.

2.16 Investments

Investments are carried at the lower of cost or quoted / fair value, computed category wise. Long-term investments are stated at cost. Provision for diminution in the value of the long-term investments is made only if such decline is other than temporary in the opinion of the management.

2.17 Investments Properties

The property is held for long term rentals else or for capital appreciation or both, and that is not occupied by the company is classified as investment property, investment property is measured at its cost, including related transaction cost

CIN: L24231UP1978PLC004583

ADVANCE

2.18 Joint Venture / Investment in Partnership Firm

Interest in jointly controlled entity is accounted for as an investment in accordance with Indian Accounting Standard IND-AS 28 Accounting for Investment in associate or joint venture. The equity method is applied and net profit or loss are to be accounted through FVTOCI. Further there an exception to the equity method which is non-existent or future sale out of controlling interest.

2.19 Dividend to Equity

Dividend paid /payable shall be recognized in the year in which the related dividends are paid by shareholders or board of directors as appropriate.

2.20 Financial Instruments:-

a) Initial recognition and measurement

Financial Instruments are recognized at its fair value plus or minus transaction costs that are attributable to the acquisition or issue of the financial instruments.

2.21 Non-Current Assets (or disposal groups) held for sale

Non-current assets (or disposal groups) are classified as assets held for sale when their carrying amount is to be recovered principally through a sale transaction and a sale is considered highly probable only when the asset or disposal group is available for immediately sale in its present condition, it is unlikely the sale will be withdrawn and sale is expected within one year from the date of the classification. Disposal group classified held for sale are stated at the lower of carrying amount and fair value less costs to sell. Property Plant and equipment and intangible assets are not depreciated or amortized once classified as held for sale. Assets and liabilities classified as held for sale are presented separately in the statement of financial position.

If the criteria stated by IND AS 105 "Non-current Assets Held for Sale and Discontinued Operations" are no longer met the disposal group ceases to be classified as held for sale. Non-current asset that ceases to be classified as held for sale are measured at the lower of

- (i) Its carrying amount before the asset was classified as held for sale, adjusted for depreciation that would have been recognized had that asset not been classified as held for sale, and
- (ii) Its recoverable amount at the date when the disposal group ceases to be classified as held for sale.

2.22 Recently issued accounting pronouncements:

On 23 March 2023, the MCA, Notified Companies (Indian Accounting Standards) Amendments Rules, 2022 effective from 1 April 2023. Following is the key amended provision which may have an impact on the standalone financial statements of the companies:

(i) Onerous Contracts Cost of fulfilling a contract (Amendment to IND AS 37)

(ii) The amendment clarify that the cost of fulfilling a contract' comprise both the incremental costs and allocation of other direct costs. The company does not expect the adoption of this update to have a material impact on its standalone financial statements.

# 22. Foreign Currency Risk

The Company's exchange risk arises from its foreign operations, foreign currency revenues and expenses, (primarily in U.S. Dollars) and foreign currency borrowings (in U.S. Dollars). A non significant portion of the Company's revenues are in these foreign currencies, while a significant portion of its costs are in Indian Rupees. As a result, if the value of the Indian Rupee appreciates relative to these foreign currencies, the Company's revenues measured in Rupees may decrease. The exchange rate between the Indian Rupee and these foreign currencies has changed substantially in recent periods and may continue to fluctuate substantially in the future.
